Situated on Highgate Road, The Maple Building – a former Kentish Town maple furniture factory – has been sympathetically restored by The Linton Group, the leading developer, to provide a stunning collection of 57 one-, two- and three-bedroom apartments and penthouses.

Meticulously crafted by Gordon-Duff & Linton, the

specialist residential interior design studio, each home provides bright and spacious accommodation with charming period features. They also come with open-plan kitchen/dining/living areas, well-fitted bathrooms and generous utility/storage areas.

Residents also benefit from a 24-hour concierge service and two passenger lifts.
